INTRO TO LANDING PAGE(GYM)

A gym landing page name is LEEEROY Fitness. It is a web page that is designed to promote a gym and its services. It typically includes information about the gym's location, hours of operation, membership options, and amenities. The goal of a gym landing page is to convert visitors into leads or customers.

In this project , a little description about GYM exercises and Motivational daily quotes.

Exercises

Quotes!

"Today I will do what others won't, so tomorrow I can accomplish what others can't."

LEG Exercise

The basic lower body movements — squats, hip hinges (deadlifts), and lunges — should comprise the majority of your programming

CHEST Exercise

Your chest is one of the biggest muscle groups in your upper body and it helps you perform tons of important movements.
